

Ada Accelerate

**REFRESH YOUR SKILLS AND
GET YOUR FOOT IN THE DOOR**

Program Overview

The Accelerate program is a highly sought-after cost-free alternative for programmers who are still on the job hunt after completing a previous bootcamp or CS degree.

Each Accelerate Cohort is made up of 24 students who participate in a virtual classroom for 3 months, followed by a 4-month internship.

GET PAID TO LEARN

Students receive a stipend of \$3,080/mo throughout the duration of the 4-month internship.

Classroom Fundamentals

Python

React

HTML

Flask

SQL

CSS

Javascript

Requirements

- Have experience building a full-stack web application.
- Have not had a full-time software engineer role in the past 6 months. If you are an Ada graduate, it is required that you have not had a full-time software engineer role in the past year.
- Has never had a second internship with Ada before.
- Can commit to the 7-month program, which runs from Nov 21st to Jun 16th.
- Can commit to going to an internship, starting Feb 27, 2023.
