Check if your organization is covered by the General Rule or a Special Rule. Note: Only a section 501(c)(7), (8), or (10) organization can check boxes for both the General Rule and a Special Rule. See instructions.

#### **General Rule**

X For an organization filing Form 990, 990-EZ, or 990-PF that received, during the year, contributions totaling \$5,000 or more (in money or property) from any one contributor. Complete Parts I and II. See instructions for determining a contributor's total contributions.

#### Special Rules

For an organization described in section 501(c)(3) filing Form 990 or 990-EZ that met the 33 1/3% support test of the regulations under
sections 509(a)(1) and 170(b)(1)(A)(vi), that checked Schedule A (Form 990), Part II, line 13, 16a, or 16b, and that received from any one
contributor, during the year, total contributions of the greater of (1) \$5,000; or (2) 2% of the amount on (i) Form 990, Part VIII, line 1h;
or (ii) Form 990-EZ, line 1. Complete Parts I and II.

For an organization described in section 501(c)(7), (8), or (10) filing Form 990 or 990-EZ that received from any one contributor, during the year, total contributions of more than \$1,000 exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals. Complete Parts I (entering "N/A" in column (b) instead of the contributor name and address), II, and III.

For an organization described in section 501(c)(7), (8), or (10) filing Form 990 or 990-EZ that received from any one contributor, during the year, contributions exclusively for religious, charitable, etc., purposes, but no such contributions totaled more than \$1,000. If this box is checked, enter here the total contributions that were received during the year for an exclusively religious, charitable, etc., purpose. Don't complete any of the parts unless the General Rule applies to this organization because it received nonexclusively religious, charitable, etc., contributions totaling \$5,000 or more during the year

Caution: An organization that isn't covered by the General Rule and/or the Special Rules doesn't file Schedule B (Form 990), but it must answer "No" on Part IV, line 2, of its Form 990; or check the box on line H of its Form 990-EZ or on its Form 990-PF, Part I, line 2, to certify that it doesn't meet the filing requirements of Schedule B (Form 990).

Form 990, Part III, Line 4a, Program Service Accomplishments: We teach industry standard coding languages Python, SQL, Flask, HTML and CSS, JavaScript, and computer science fundamentals in our curriculum. During the first six months of our training program, students attend full-time classes at our Seattle campus or virtually through our Digital campus. All courses are taught live by highly experienced Ada instructors. Instructors are supported by a team of curriculum staff, student success coaches, and campus program directors. In 2021, over 180 students attended classroom training. The classroom experience is not the typical lecture format. We cater to various learning styles and keep the classroom dynamic and collaborative, not competitive. Students learn by doing, and their cohort group of classmates and Ada staff are their support system.

Form 990, Part III, Line 4c, Program Service Accomplishments: The Ada Internship and Career Services team provides support throughout the duration of the internship, including career and professional development training and workshops, continuing education Computer Science Fundamentals sessions once per week, ongoing interview preparation and job-seeker career coaching, and job search support post-graduation. Students are taught skills to enable them to adapt and thrive in any job position in their career.

Most boot camps last 3-4 months without an internship. Our	11 month
program provides a holistic approach to setting up our stu	dents for
success. Ada's goal is for each student to be successful.	We want
students to bring their whole selves to class and internsh	ip every day.
We try to alleviate our students' barriers and challenges	while
learning by making sure students are supported throughout	the program
with wrap-around supports such as child-care, loaner lapto	ps, financial
assistance, mental health therapy, 1:1 tutoring, student s	uccess
coaches, learning management system, inclusion and self-ad	vocacy
training, and industry mentors. We also hold group events,	facilitate
outreach events and informational sessions for prospective	students,
and provide both in-class and remote classroom learning. E	eyond the
classroom and internship, we support our alums through var	ious
workshops, such as social justice workshops to build commu	nity, create
accountability, and to shift company cultures to become mo	re inclusive,
and workshops on financial planning. We foster a safe space	e for our
students and alums by encouraging folks to connect and bui	ld their
professional network with their classmates and industry me	ntors to
create a community amongst like-minded individuals. Ada is	n't just
about Code. Economic Justice is an important part of our p	program to
help the communities and the individuals we serve to reach	a higher
